Warning:**Read Before Using Your PlayStation®2 Computer Entertainment System.**

A very small percentage of individuals may experience epileptic seizures when exposed to certain light patterns or flashing lights. Exposure to certain patterns or backgrounds on a television screen or while playing video games, including games played on the PlayStation 2 console, may induce an epileptic seizure in these individuals. Certain conditions may induce previously undetected epileptic symptoms even in persons who have no history of prior seizures or epilepsy. If you, or anyone in your family, has an epileptic condition, consult your physician prior to playing. If you experience any of the following symptoms while playing a video game – dizziness, altered vision, eye or muscle twitches, loss of awareness, disorientation, any involuntary movement, or convulsions – IMMEDIATELY discontinue use and consult your physician before resuming play.

Warning to Owners of Projection Televisions:

Do not connect your PlayStation 2 console to a projection TV without first consulting the user manual for your projection TV, unless it is of the LCD type. Otherwise, it may permanently damage your TV screen.

Use of Unauthorized Product:

The use of software or peripherals not authorized by Sony Computer Entertainment America may damage your console and/or invalidate your warranty. Only official or licensed peripherals should be used in the controller ports or memory card slots.

Handling Your PlayStation 2 Format Disc:

- This disc is intended for use only with PlayStation 2 consoles with the NTSC U/C designation.
- Do not bend it, crush it or submerge it in liquids.
- Do not leave it in direct sunlight or near a radiator or other source of heat.
- Be sure to take an occasional rest break during extended play.
- Keep this disc clean. Always hold the disc by the edges and keep it in its protective case when not in use. Clean the disc with a lint-free, soft, dry cloth, wiping in straight lines from center to outer edge. Never use solvents or abrasive cleaners.

A detailed black and white illustration of the character Maximo from the game 'Maximo vs Army of Zin'. He is a young boy with a determined expression, wearing intricate, layered armor. He holds a large sword over his shoulder with both hands. The background is a dark, smoky landscape with mechanical gears and structures. The artist's signature 'Susumu Matsushita' and '© 2003 SUSUMU MATSUSHITA' are visible in the lower right of the illustration.

GETTING STARTED

Set up your PlayStation[®]2 computer entertainment system according to the instructions in its Instruction Manual. Make sure the MAIN POWER switch (located on the back of the console) is turned on.

Press the RESET button. When the power indicator lights up, press the open button and the disc tray will open. Place the MAXIMO vs ARMY OF ZIN™ disc on the disc tray with the label side facing up. Press the open button again and the disc tray will close.

Attach game controllers and other peripherals, as appropriate. Follow on-screen instructions and refer to this manual for information on using the software.

STARTING UP

DUALSHOCK®2 ANALOG CONTROLLER CONFIGURATIONS

Before starting play, connect the DUALSHOCK®2 analog controller to controller port 1.

MEMORY CARDS

To save games, insert a Memory card (8MB) (for PlayStation®2) into MEMORY CARD slot 1 before starting play.

You can save games at any time during play by pressing . You can resume saved games from the same card, or from any memory card containing saved MAXIMO vs ARMY OF ZIN game data.

- ▼ You need at least 332KB of free space available on the memory card in order to save game data. If less than 332KB exists, erase older or unwanted data to make room.
- ▼ Do not remove the memory card or turn off the power to the system while data is being saved or loaded. Your game data may be lost!
- ▼ See page 19 for more information on saving game data.

THE QUEST

It's been eight months since **MAXIMO** rescued his kingdom from the evil sorcerer **ACHILLE**. He and **GRIM** have been searching in vain for Maximo's true love, **SOPHIA**.

Their search is interrupted by strange clockwork creatures falling from the sky. These mechanical monsters attack a village, slaughtering the innocent villagers. When Grim realizes the creatures are powered by stolen spirits, he returns to the Underworld to investigate.

Are these monsters the **ARMY OF ZIN**, which was supposed to be locked in the **GREAT VAULT OF HAWKMOOR**, 500 years ago?

Can Maximo stop their march of destruction?

TINKER

The Gearmaster of the Haunted Forest keeps herself profitably occupied. But just whose side is she on?

BARON

Once Maximo's friend, the Baron keeps watch over the Great Vault of Hawkmoor — a responsibility handed down to him from previous generations.

WHO'S WHO?

GRIM

Grim has been Maximo's companion since their last adventure. Though he likes to clown around, when he's called upon for help, a completely different side emerges!

MAXIMO

Maximo is now a hard-traveling hero. His quest to find his lost love, Sophia, is interrupted by the appearance of an ancient evil.

LORD BANE AND THE ARMY OF ZIN

While thought to have been imprisoned 500 years ago in the Great Vault of Hawkmoor, the Army of Zin is free again. Lord Bane, the mysterious armed warlord, leads them in terrorizing the land.

EXTRAS

BUYING THINGS

You can buy new items and attacks. Sometimes you'll encounter a Peddler or Old Guard threatened by the Zin! Save them or you'll lose a chance to buy something!

OLD GUARD

He teaches sword and hammer attack moves, and sells Grim and Super Meter upgrades.

PEDDLER
He sells health, armor power-ups, boxers, shields and hint scrolls.

INNOCENTS

As long as enemies are nearby, an Innocent will remain scared. You cannot talk to a scared Innocent.

When you rescue an Innocent, a green "!" appears. You can now talk by pressing . The Innocent will reward you with Treasure or tell you where to find secrets.

Be sure to talk to the same Innocent more than once in case he or she remembers something that didn't get mentioned the first time around.

CHECKPOINT

Attacking Zin come in for a landing near Zin probes. Smashing a probe disrupts the Zin's plans for conquest and becomes a Checkpoint. When Maximo is defeated, he will be resurrected at the last marked Checkpoint if he possesses a Death Coin. Checkpoints must be smashed to be marked.

MAP SCREEN

While on the Map screen, you can check Mastery status or replay a level. Use the left analog stick or directional buttons to move Maximo's sword icon ←/→ and press **X** to select.

Press **L1** on the Map screen to see a list of Bonus Goodies you've acquired. Unlock more goodies by gaining Mastery when you finish a level. Press **△** to exit the Map screen.

HINTS

Hint 1 USE GRIM

Don't forget Grim! Summon him by pressing **R1**. Use his variety of attacks to soften up or defeat stronger foes.

Hint 2 SECRET PATH

Look for breakable walls that lead to secret areas. Some walls can only be broken by the Hammer.

Hint 3 HAMMER SWITCH

Activate this switch with the Hammer by pressing **X** and then pressing **△**.

Hint 4 BURIED CHESTS

Hidden chests are buried around the world. Buy Treasure Seeking Boxers to help you find them. Uncover them with a jump.

SAVING & END GAME

SAVE

At any time during play, press **START** to save your progress. (On the Map screen, press **R1** to save.) Select a save slot on the Save Game screen and press **X**. (See below for additional information.)

CONTINUE

You can continue as long as you have a Death Coin. You return to the last marked Checkpoint or the start of the level.

GAME OVER

If you die and have no more Death Coins, the game's over.

MORE ABOUT SAVING

- ▼ If you use a save slot that already contains a saved game, that game will be replaced by the new save. Be sure! Lost games cannot be recovered.
- ▼ You must have a memory card with at least 332KB of free space inserted into MEMORY CARD slot 1 in order to save game data.
- ▼ Do not remove the memory card or turn off the power to the system while data is being saved or loaded. Your game data may be lost!

PAUSE

Having trouble defeating the Army of Zin? Take a break by pressing **START** to bring up the Pause screen. You can check your status while paused and reset your gameplay options.

- ▼ CONTINUE — Resume the game.
- ▼ OPTIONS — Access the Options Menu.
- ▼ SAVE AND EXIT — Save your progress and/or quit the game and return to the Title screen.
